Pakistan. (Physics, Biology, Chemistry, English)

Clinical Experience

Medical Center, Lahore 00 / 0000 - 00 / 0000

Medical Officer

Hasan Medical Center is located at Iqbal Park Main Boulevard L.C.C.H.S., Lahore. It is a 50 bed hospital equipped with all the modern diagnostic and medical care facilities. I used to take history, perform physical examination and order the initial investigations, and discuss the diagnosis and treatment plans with the attendings. I have been working in the inpatient & out patient departments, ICU, CCU, and Emergency Room. While working there, I gained valuable clinical and interpersonal skills under the supervision of my consultants.

Clinical Electives

Department of Neurology, 00/0000-00/0000

Hospital, Lahore, Pakistan

I took one month neurology elective at the end of fourth year in Medical School. Duties included attending the in-patient rounds and out-patient clinics. Used to take history, physical examination and discuss workup and diagnosis with attendings.

Department of Neurology, Hospital, Lahore, Pakistan

00/0000 - 00/0000

I took a second one month elective while in final year of Medical School. Duties included attending the in-patient rounds and out-patient clinics. I took the history, examinated the patients and ordered preliminary investigations. I discussed differential diagnosis and treatment with attendings.

Research Experience

Department of Neurology/Psychiatry Hospital/AIMC, Lahore, Pakistan
